Career Preparation Workshop for Juniors

Juniors: Are you thinking of entering a career after you graduate from UIC? Have you begun preparing for your job search? This is your year! This specially-developed workshop will walk you through the steps you should take during your junior year to ensure that you are prepared to conduct a thorough and successful job search in your field. Although this session is geared toward juniors, students of all years are welcome to attend. The workshop is open to students in ALL majors!

Featuring Christine Corral, Assistant Director, Office of Career Services
