

CALL FOR PROPOSALS!

5th Annual College of Education Graduate Student Conference

Theme: *Transformative Education Research for Innovative Policy and Practice in the 21st Century*

Friday, March 14, 2014

We welcome all research areas, and want to share the work of all students across the college. Consider sharing your proposals from AERA, CREA, AESA, CRT, ASHE, CRSA and other conferences.

This is also a great way to practice sharing your research before a national conference.

Call for Proposal Submissions:

- Proposals may be submitted for individual and/or co-authored papers, roundtables, symposia, alternative formats, and poster sessions. We strongly encourage proposals that seek to bridge research to practice, policy, and the community. Abstracts are limited to 500 words, with the exception of roundtables and posters, which are limited to 300 words.

All proposals must be submitted electronically by **Tuesday, January 21st** at Midnight CST to: <https://conftool.education.illinois.edu/gsc2014/>

- There will be a **Best Student Research Award** ... great CV builder!!

Contact Information:

If you would like more information, please contact our review team through the Conftool website.
