

## The Department of Educational Psychology AppLeS Student Capstone Project Presentations

Please join the Department of Educational Psychology to celebrate our first graduating class of AppLeS (**A**pp**L**ied **L**earning **S**cience) students as they finish up their final year in the AppLeS program and the Learning and Education Studies (LES) major. The students will present findings from their Capstone research projects and discuss their future plans. Please come and help us toast our students!

**Tuesday, May 2, 2017**  
**Noon – 1:30 PM**  
**22 Education Building**

Presenting their Capstone research projects are:

**Destinee Johnson** – "The Effects of Teacher Involvement on the Student Field Trip Experience"

**Jeremy Davis** – "Motivation for Learning a Second Language between Different College Departments"

**Xiaoyi (Kellie) Huang** – "Gesture and Word Learning"

Lunch will be served!
