the world.

We can help...

MICRO-GRANTS

Microgrants provide students with a small amount of funding (usually \$100-300) to try out an idea.

Special consideration projects that will benefit the Sustainability LLC.

Apply at:

Applications considered monthly (at Advisory)
1st deadline 8/30/2016

BIKE LOAN PROGRAM

Explore campus and the surrounding community while minimizing your carbon footprint.

Sustainability LLC has its own bike loan program! See Jen or Taryn for full details.

We HIGHLY encourage you to complete the Bike Safety Quiz at www.bikesafetyquiz.com and attend one of our basic bike maintenance workshops during Orientation or during the first couple weeks of school.

MENTORING

Not sure about your next steps? Set up an appointment with our Program Director, Jen Bechtel.

Jen has many years of experience connecting with C-U resources. She can help you!

To request an appointment, send your request and daytime schedule to Bechtel@illinois.edu
