AISES Announcement

American Indian Science and Engineering Society

AISES Scholarship Applications Due May 2nd

The American Indian Science and Engineering Society (AISES) is currently accepting scholarship applications for the upcoming academic year! With support from AISES partners, the scholarship programs offer opportunities for both undergraduate and graduate level students with various degree requirements. Scholarship amounts range from \$1,000 - \$10,000/year, and may be accompanied by internship opportunities for awarded students.

To learn more about each program, eligibility, application requirements and more, please visit our website at: www.aises.org/scholarships.
