

NACME/Chevron Scholars Program

Advancing Academic Excellence and Technical Leadership

Scholarship Application and Guidelines

Deadline: April 1, 2018

NACME /CHEVRON SCHOLARSHIP PROGRAM
NATIONAL ACTION COUNCIL FOR MINORITIES IN ENGINEERING, INC.

Scholarship Guidelines

Application Deadline: April 1, 2018

NACME IN BRIEF

NACME is a not-for-profit corporation that, for over 40 years, has led the national effort to increase access to careers in engineering and other science-based disciplines. Supported by America's leading technology-intensive companies, NACME is also the nation's largest privately funded source of scholarships for underrepresented minority students in engineering.

ABOUT CHEVRON

Chevron is one of the world's leading integrated energy companies. They explore for, produce and transport crude oil and natural gas; refine, market and distribute transportation fuels and lubricants; manufacture and sell petrochemical products; generate power and produce geothermal energy; invest in profitable renewable energy and energy efficiency solutions; and develop the energy resources of the future, including researching advanced biofuels. With operations all over the world, Chevron values the rich diversity of ideas, experience and skills their employees bring to the company. They express their belief in the value of diversity through principles, practices and accountability.

OUR INVITATION

We encourage you to consider becoming a NACME Scholar by submitting an application. The scholarship award is offered to students who have demonstrated academic excellence, leadership commitment to engineering as a career field and financial need. The deserving students will each receive a one-time \$5,000 scholarship toward the cost of education.

As a NACME Scholar you will also have the opportunity to share your resume on the NACME Career Center to be considered for an internship that will advance your interest and skills in your discipline as well as your future professional opportunity.

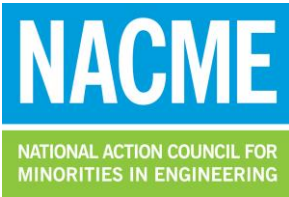

ELIGIBILITY REQUIREMENTS

- African American, American Indian, Latino students enrolled in an undergraduate baccalaureate engineering degree program at one of the following institutions:
 - Florida International University
 - North Carolina A&T
 - University of Houston
 - Tuskegee University
 - University of Illinois, Urbana-Champaign
- Engineering Disciplines: Mechanical, Chemical, Electrical, Civil, Environmental, Petroleum, CIS, MIS, IT and Computer Science
- Minimum grade point average of 3.0 on a 4.0 scale
- Full time student
- A minimum of 1 membership/leadership in a technical society or extra-curricular activity (eg. SME, Fraternity/Sorority)
- U.S. Citizen or Permanent Resident
- Must demonstrate knowledge and interest in Chevron and energy industry
- A minimum of 1 noteworthy achievement/recognition (Dean's List, etc.)
- A minimum of 1 technical/energy related internship

APPLICATION PROCESS

The application is attached. **Please enclose all supporting materials with your application.** This will expedite the review process.

The application due date is April 1, 2018. Submit completed applications, as a PDF by email to:
scholars@nacme.org For questions regarding the application, please contact the NACME's office at 914/539-4010, ext. 222.
