

# Shaping the future of finance... no finance degree required.

[See yourself here.](#)

At Goldman Sachs, we believe who you are makes you better at what you do. We seek out people with all types of skills, interests and experiences. So whether you've been trading penny stocks since the eighth grade or have never imagined a career in finance, there's a place for you here.

For us, it's all about bringing together people who are curious, collaborative and have the drive to make things possible for our clients and communities.

Interested? Join us for one of our upcoming exploratory programs to meet us and learn more. You'll get a glimpse into the many paths and opportunities you can pursue with us (and beyond) and hone the skills that will set you up for success through skill-building workshops, group activities and networking events.

Travel, food, and accommodations are provided within firm policy.
