IL Service Coordination Stakeholder Group

Formed as a result of the *National SC Leadership Institute* in order to develop and carry out an Illinois SC Action Plan. Group meets monthly and includes SCs, program managers, Early Intervention Training Program (EITP) and Illinois Department of Human Services (IDHS) Representatives. Two action plan items pertain to SC knowledge and skills and SC satisfaction & growth.

Systems of support have been made possible through partnerships and collaborations among EITP, CFCs, SCs, IDHS and national SC initiatives.
