

## PLACE OF SERVICE

*Place of service directly impacts Performance Contracting and Federal Data Reporting.*

### DEFINITIONS

- 12 – Home – Offsite: The principal residence of the child’s family or primary caregiver(s)
- 03 – Regular Nursery School/Day Care – Offsite: Program designed for and regularly attended by typically developing children. Most of the children in this setting do not have disabilities. Regular nursery schools and child care centers are examples.
- 11 – Service Provider Location – Onsite: An office, clinic, or hospital where the child goes for short periods of time to receive services. **\*Onsite service location negatively impacts CFC monthly performance data.**
- 62 – EI Program – Onsite: Program designed for children with developmental delays or disabilities. Services are directed toward the facilitation of one or more developmental areas. **\*Onsite service location negatively impacts CFC monthly performance data.**
- 99 – Other Setting – Offsite: Other offsite service location. Examples include McDonalds, Park District Program, and Church.
