

# Summer Undergraduate Research Fellowships at Mayo Clinic

Outstanding undergrads interested in a career in biomedical research are encouraged to participate in [Mayo Clinic’s Summer Undergraduate Research Fellowship \(SURF\)](#). As part of our longstanding partnership, Mayo Clinic has reserved up to seven of these prestigious fellowships for University of Illinois students who are chosen through a special pre-selection process. Learn more about Illinois pre-selection by visiting [go.illinois.edu/MayoLSURF](http://go.illinois.edu/MayoLSURF).

### Important Dates

- Illinois Pre-selection info session - **October 13**
- Illinois Pre-selection application deadline - **November 7**
- Illinois Pre-selection finalist interviews - **Early December**
- Illinois Pre-selection award notification - **January 9**
- 2022 SURF Program - **May 30 – August 4, 2023**

### Application Process

Candidates will need to submit the application, a personal statement, transcript, and two letters of recommendation. The top 10 candidates will be invited for short interviews with the selection committee. Visit [go.illinois.edu/MayoLSURF](http://go.illinois.edu/MayoLSURF) to learn more and apply by **November 7, 2022**.

### Eligibility

Illinois students in their sophomore or junior year, with a minimum 3.0 GPA, who are seriously considering a biomedical research career as a PhD or MD-PhD, are eligible to apply.

### Financial Support

\$6,000 will be awarded by the Mayo Clinic and Illinois Alliance to cover living expenses during the 10-week program.

### Selection and Notification

Representatives of the Illinois selection committee will select up to seven Illinois undergraduates.
