YOU'RE INVITED

INTERNSHIP RECRUITMENT EVENT FOR UNDERREPRESENTED STUDENTS IN STEM

Dear Students,

Argonne National Laboratory strives to provide students with access to high-quality STEM learning experiences. We are here to help you on your STEM journey and connect you with real-world applications and thought leaders in science and engineering.

We are reaching out to invite you to the Laboratory's fifth annual First Look@Argonne – A STEM Recruitment Event for Underrepresented Groups Conference on **Friday, October 20, 2023**. This year's conference will be conducted in-person from 9 am to 3:30 pm CT. The informational sessions will provide you with the opportunity to:

- Learn about the Department of Energy (DOE) complex and Argonne's mission science research.
- Explore Argonne's campus and research facilities.
- Network with Argonne researchers and engineers across the many different STEM disciplines.
- Learn about summer and year-round research opportunities for

EVENT DETAILS

Friday, October 20, 2023

9:00 a.m. - 3:30 p.m. CT

Argonne National Laboratory
9700 S Cass Ave, Lemont, IL 60439

Register By: Monday, October 2, 2023

Questions: students@anl.gov

REGISTER

undergraduate students.

- Connect with current and past interns.
- Consider participation in a tandem event, Mini-Semester, to further prepare you for an internship at a national laboratory.

Our goal for this conference is to show students the diverse STEM research and opportunities at Argonne and across the DOE laboratory complex, and the support we offer in navigating the summer internship application process.

Please contact the [University & College Partnership Team](#) if you have any questions or concerns. We look forward to seeing you at *First Look@Argonne*.

WHO SHOULD ATTEND

All are invited to register and attend! This includes students from freshman to 5th year seniors.

Ideally, student registrants should:

- Be enrolled as a full-time student in a community college or four-year higher education institution in a STEM discipline.
- Have a cumulative minimum GPA of 3.0.
- Be at least 18 years of age.
- Be a United States citizen or Legal Permanent Resident.
- Identify as an underrepresented group (URG) in STEM.

Please complete a [quick application](#) to register.
