Hello everyone!

Hope y'all are doing well as we gear up for homecoming this week. I am reaching out to this list to share one of the Illinois Leadership Center's premier annual programs (which you may want to share with the various students you advise and support!)

The Institute™ by LeaderShape® is a nationally recognized four-day, three-night leadership retreat held for Illinois undergraduate students that will take place January 10-13, 2023, at the Allerton Park & Retreat Center in Monticello, IL. The online application opened on Monday, September 26 and closes Monday, October 24.

This retreat provides participants the opportunity for self-discovery, self-reflection, and feedback in a community of approximately 60 peers. Not a typical leadership retreat, the Institute is grounded in helping individuals identify the values they hold that lead to making a difference in the communities around them. Through self-assessment, intensive small group discussions, team building challenges, and more, participants will develop a vision for something they care about. By leading with passion, integrity, and a healthy disregard for the impossible, participants explore who they are and the impact that they want to have on communities working towards a more caring, just, and equitable society.

Please share the following link with anyone who may be interested or would benefit from participating!

Thank you all for your time and energy!
Nick
