

PROF. BAMBANG PERMADI SOEMANTRI BRODJONEGORO, S.E., M.U.P., PH.D.

MINISTER OF RESEARCH AND TECHNOLOGY /
CHIEF OF THE NATIONAL RESEARCH AND INNOVATION
AGENCY OF THE REPUBLIC OF INDONESIA

Prof. Bambang Brodjonegoro

started his career as an academia in Universitas Indonesia, as a lecturer, researcher, and faculty dean. The opportunities to contribute to his country as the Minister of Research and Technology, Minister of National Development Planning and Minister of Finance have established Prof. Brodjonegoro's career firmly in integrating Indonesia's research, technology, innovation, development planning, financing, and economic stabilization.

He has also actively participated in numerous local and international organizations, as well as several Indonesian companies. Those experiences have shaped his career and afforded him various essential soft-skills, which will be beneficial for the Republic of Indonesia and globally.
