Who do you want to bring to Allen next year?

Do you know of any fascinating artists, activists, scholars, performers, writers, educators, inventors, journalists, filmmakers, scientists, musicians, or uncategorizable people? Unit One is looking for applicants for the Guest-in-Residence program for the 2018-19 academic year.

Send us your suggestions of who you'd like to learn from next year! If you don't have a particular person in mind, you can send suggestions for a type of person you'd like us to bring, based on field of interest, profession, or other criteria.

Successful guests will be interesting and engaging, will have enough things to do or talk about for 5 days, and will be enthusiastic about working with undergrads.
