# Paraprofessional Spotlight Presents: Chloé Toussaint

I'm a Junior studying community health. I'm also pre-med and obtaining a leadership certificate. I love sports, theater, fashion, and traveling. My family comes from Haiti and I love traveling there to do missionary work, see family, and visit the beautiful sites.

# Paraprofessional Spotlight Presents: Suda Rao

I really enjoy 80's music, I read contemporary poetry in my spare time (my favorite poet is Nikita Gill) and I'm the proud mother of the standard poodle in the pic. Her name is Taffy. I advise Q in Allen hall and on campus I'm involved in students against sexual assault as a part of the exec board, I'm a Fycare facilitator and a volunteer with RACES which is the champaign-urbana's local sexual assault crisis center.

## Closing Information
