Dear Colleagues:

I trust you had a restful and productive Summer. I am grateful for your service on the Illinois International Advisory Committee during the past academic and thank you in advance for your willingness to continue your service in 2017-2018.

I would like to re-appoint this committee for another year to align its effort with the campus-wide process strategic planning process that will be starting in the Fall. It will be important draw on the foundation you established through your work last year, to inform the campus-wide process, especially on globalization related issues.

Prof. Peter Constable, Dean of the College of Veterinary Medicine and Prof. Clara Chu, Director of Mortenson Center (Library), have agreed to continue as co-chairs of this committee. Given the size of the committee it may be necessary to form sub-committees to facilitate the process. The committee will meet twice per semester with the VPIAGS to provide updates and to confer on critical developments as the process unfolds. The sub-committees will meet more often to deliberate on assignments specific their respective teams.

Ms. Amy Hubbard in Illinois International Programs, will continue to serve as the staff member for this committee.

Your appointment is effective August 16, 2017 and extends through May 15, 2018. Thank you once again for your service on this important committee.

Sincerely,
