

Q Action Plan Small Group Discussion:

What new strategy or practice did you try out related to relationship building and live video visits?

How did it go?

The form is titled "Live Video Visit Coaching Plan" and features a search icon in the top left. Below the title, there are five categories with icons: Trust (a blue figure), Openness to Change (a green plant), Role Sharing (two people), Communication (a speech bubble), and Cultural Reciprocity (a globe). To the right of these is "Caring (self & others)" with a red heart icon. The form is divided into three main sections: "What I Learned" (yellow border, lightbulb icon), "What I Can Do" (blue border, text prompt: "With the _____ family, I plan to try the following relationship building strategy this week"), and "Actions I Will Take" (green border, text prompt: "How will you implement this strategy? What behaviors/steps/language will you use?"). Below "What I Can Do" is a section "How It Might Look" (red border). A blue figure icon is in the bottom right corner. At the bottom, it says "Developed by the Early Intervention Training Program at the University of Illinois © 2023".

Let's Reflect: Small Group Discussion

No judgements, just honest talk

Do you typically "check in" with families?

YES

NO

If yes, what does it look like?
(how often?, what do you say/do?,
how has it been for you?, how do
you feel about check-ins?)

If no, why don't you check in?
(what barriers prevent you from
checking in?, did you do them in
past but stopped? (why?), how
do you feel about check-ins?)
