

Small Group Discussion

How did you check in with and/or use joint planning with a family?

Considerations:

- **How did they work together?**
- **What was the outcome?**
- **How was it the same or different from what you typically do?**
- **What will you do differently next time?**

Attuned Interactions

What do attuned interactions with families/caregivers look like?

How do you stay present in the moment?

Responsive Interactions

How can attunement allow for intentional, responsive interactions with families?

Small Group Discussion

Intentional

How do you decide in the moment when to say something or not?
How do you repair the relationship if you have 'messed up'?

Flexible

Share an example of when 'going off the plan for the day' happened to you. Did you see it as an unproductive use of time or an opportunity to be responsive to the family?
