

Q Small Group Discussion – Action Plan

Attuned & Responsive:
How were you attuned
and responsive to a
family during an LVV?
What did that look like?

Relationship:
How do you think it
impacted your
relationship & session
with that family?

Small Group Discussion

Build Family Capacity

How does 'thinking out loud' build the capacity of the family?

How does it enhance the family's competence, confidence & problem-solving skills?

Create a Safe Space

A team member stated to the family:
"I want you to be able to do this when I am not here."

How do you create a safe place so that families feel comfortable practicing while you are there?
