

Assignment #2: Making a Plan

Making the Most of Your Time with Families: Strategies, Ideas, and Resources

Choose a family you are currently working with.

Decide on a focus for your “visit.”

Briefly discuss in the space below how you would explain to the parent or child care provider why this is an important focus.

Give **two examples** of activities using materials in the home and/or routines that are related to the focus that would bring parent and child together **and** to support the child’s development.
