Mr. Morelock and Members of the SUCSS Merit Board:

As part of my testimony, I am submitting the five hundred and eighty four comments that the University of Illinois University Professional Personnel Advisory Committee (UPPAC) received in Spring 2012 in response to the proposed amendment to section 250.30 of the Illinois Administrative Code.

The document is five hundred and ninety five pages long and it contains the comments and a summary that illustrates the process UPPAC used to collect the comments as well as a detailed and categorized breakdown of the responses.

It is important to emphasize that out of a total of five hundred and eighty four respondents, five hundred and fifty oppose the proposed amendment. Furthermore, it is worthy to note that the respondents include a diverse set of employees that include faculty members, staff members as well as administrators such as Deans, Directors and Department Heads.

Sincerely,
